

# Feeding FORT MYERS

a community  
effort!

April 11-17

## WHAT IS THIS ALL ABOUT?

---

Feeding Fort Myers is a community effort by [Next Level Church](#). Economic times continue to affect Lee County and we are looking to help those in need. So, our goal is to have **125 neighborhood block parties** that will generate at least **125 cans at each party** ~ for a total of **15,625 cans of food** for the [Soup Kitchen](#)!

## WHO IS HOSTING THESE PARTIES?

---

Various families or friends from Next Level Church are throwing a party in their neighborhood or workplace to feed you and collect cans to feed others!

## HOW CAN I BE A PART?

---

Simply show up at one of the parties being hosted in your neighborhood or workplace and bring cans of food! You can also attend one of our weekend services on Saturday and Sunday, April 16th and 17th and bring cans with you on one of those days!

## WHAT KIND OF CANS SHOULD I BRING?

---

Please bring non-perishable food items. Ideas include:

- Canned Vegetables & Fruits (*corn, green beans, mixed*)
- Canned Baked Beans
- Canned Meat (*tuna, chicken*)
- Meals in a Can (*spaghettios, ravioli, stew*)
- Pasta (*noodles, spaghetti, macaroni*)
- Canned or Bottled Juices
- Box Dinners or Sides (*Hamburger Helper, Rice-a-Roni*)

## ANYTHING ELSE?

---

Yes! Check out what 15,625 cans of food looks like on April 16th and 17th at Next Level Church's Weekend Services! This will be an amazing day as we celebrate what we can do "together" for our community!
